

KURT TRAMPEDACH

1943–2013

120. *Woman*, 1982

(*Kvinde*)

Poster, 66¾ x 46¾ in. (170 x 119 cm)

Inscribed at bottom: My friend John Loeb from Kurt Trampedach 28-11-82

PROVENANCE: Gallerie Asbæk, Copenhagen, 1982.

In about 1982, Trampedach made a series of serigraphs on which he worked farther in oil paint after printing. (See the Loeb collection *Portrait III*.)

This poster for the international art exhibition FIAC 82 in the Grand Palais in Paris was presumably made in a similar way, after which the finished result was presumably reproduced photographically.
